

HOME & BUILDING INSPECTORS

Tailored Coverage for Peace of Mind

We provide comprehensive liability coverage and solutions for Home and Building Inspectors across Canada. With our specialized in-house underwriting experience, we offer customized Professional Liability, Casualty, and Property protection. This includes coverage for both home and commercial building inspection services. Additionally, we offer specialized coverage and rating for both small independent inspectors and large inspection firms.

Good Practice

- Maintain a detailed record of all inspections performed, including photographs and reports.
- Use electronic documentation for improved record-keeping and accessibility.
- Ensure contracts and disclaimers are used for every inspection, outlining scope and limitations.
- Follow loss mitigation strategies to reduce liability exposure.
- Provide a carrier-issued loss history for risk assessment and underwriting.
