

PLUMBING CONTRACTORS

Tailored Coverage for Peace of Mind

We provide comprehensive liability coverage and solutions for Plumbing Contractors across Canada. With our specialized in-house underwriting experience, we offer customized Casualty and Property protection. Coverage applies to a wide range of plumbing operations, including residential, commercial, institutional, industrial service and repair work, fixture installation, drain cleaning, and more.

Good Practice

- Detailed list of all job sites and clients.
- Copies of written service contracts and warranty terms used.
- Water shut-off and pressure testing procedures.
- Carrier issued loss history.
- Compliance with local licensing requirements for plumbing and gas fitting.
